

APPLICATION FOR AP COURSE

481 – AP Calculus AB

- AP Calculus students are expected to have a strong interest in mathematics, possibly looking for a career in mathematics, engineering, science, business or medicine.
- AP Calculus students must have a strong work ethic, an ability to work both independently and in groups, and excellent analytical skills.

Enrollment in any AP course in the fall of the new school year is always contingent on meeting the prerequisites listed in *Shamrock Studies* in June of the preceding school year.

Once course selections are completed (4/30), students may not change their AP course choices.
