

# APPLICATION FOR AP COURSE

---

## 489 – AP Statistics

- AP Statistics students are expected to have a strong interest in the applications of mathematics, possibly looking for a career in business, medicine, engineering, or economics.
- AP Statistics students must have a strong work ethic, an ability to work both independently and in groups, and excellent analytical skills.

**Enrollment in any AP course in the fall of the new school year is always contingent on meeting the prerequisites listed in *Shamrock Studies* in June of the preceding school year.**

**Once course selections are completed (4/30), students may not change their AP course choices.**
