

Welcome to AP Calculus!

Our textbook is Calculus: Graphical, Numerical, and Algebraic by Finney, Demana, Waits, and Kennedy. (ISBN 978-0-13-063131-2 or ISBN 0-13-063131-0)

Chapter 1 (Prerequisites for Calculus) is a review of precalculus. You will have a test on chapter 1 on Friday, September 9, 2011. During the summer you should review the material in chapter 1 and work as many of the problems as you feel are necessary. (Note: Linear and power regressions are not on the test.)

If you have any questions, please email me at jbriant@bishopfeehan.com.
