

## AP Psychology Summer Assignment

### Required Materials:

- *Psychology*, 9<sup>th</sup> edition, by David Myers

**Note:** While not required, there is an AP study guide published in conjunction with this book (written by Richard Straub), which may prove useful throughout the year.

**Assignment 1:** Read pages 1-45 of your textbook. As you read, outline the major concepts of the chapters on college-ruled lined paper. TYPED OUTLINES WILL NOT BE ACCEPTED. Your outline will be due on **orientation day**, and will be worth a quiz grade. If you do not have your outline ready to hand in on that date, you will lose half-credit for the assignment. Additionally, you will have a test on the information contained within the chapters during the first week of school.

**Assignment 2:** Send me an email at [kcorcoran@bishopfeehan.com](mailto:kcorcoran@bishopfeehan.com) which includes the following information:

- a. Your name (note if there is a nickname you prefer to go by)
- b. Your grade (11 or 12)
- c. Extracurricular involvement
- d. Your expectations for the course
- e. Your all-time favorite book, movie, and musical artist
- f. Anything else you would like to share

**\*\*You should email me no later than August 10<sup>th</sup>. This will be the easiest grade you will ever get in my class, so make sure you do it!\*\***

If you have any questions, please do not hesitate to email me. I look forward to meeting you all in the fall! -Ms. Corcoran
