

June 7, 2011

Dear Feehan Family,

I write to you in hopes to give further clarity to the book process. We have worked diligently to get this information to you as early as possible. There is a significant disclaimer with the booklist that student schedules are not "final" until distributed at Orientation. On occasion, we must drop a class; therefore, books purchased with this first draft of your child's schedule MAY need to be changed when all scheduling conflicts and personnel decisions become final. Please do not label or write in new texts until school begins, and you have been assured of what classes he/she will be taking. Take a hypothetical course such as *Business Principles*. If the enrollment in *Business Principles* dips below our standard, or if the only teacher who teaches *Business Principles* takes another job in the middle of the summer, we may dissolve the course and place students in another elective.

This year, we have included a suggested retail price column and a suggested used price column. Hopefully, this will help you as you research possible options. We will have a Used Book Sale and Swap in the Cafeteria on Friday, June 17th, from 6:00 p.m. to 7:30 pm. Bishop Feehan **hosts** this event, but does not **sponsor** it. Please operate under the premise of *buyer beware*. Misunderstandings in the past over the cost of used books or the sale of a discontinued text are hopefully unintentional, but these situations are not Feehan's responsibility.

Our online bookstore, <http://bookstore.mbsdirect.net/bishopfeehan.htm>, is operated by MBS Direct and will open on July 1st. MBS Direct will be sending information directly to you regarding a "free shipping" promotion that will take place during the week of July 25th. Questions about the booklist or about MBS Direct should be directed to the Academic Office at Feehan. The Main Office is open from 8:00 a.m. to 12:00 p.m. during the summer months.

I sincerely hope that your summer will be enjoyable and safe.

Sincerely,

Bill Roney
