

Are you ready for High School?

Here are some comments from parents of students
who have attended Summer Academic Academy:

“Simple things that can cause a lot of anxiety for a freshman were answered; where the classrooms were, where your locker is, where the freshman sit at lunch etc.”

“First of all, it TOTALLY eliminated all uneasiness about going into a new school with all new kids!”

“The students developed a sense that Feehan is THEIR school, so they were enthused and eager from day one.”

“I’d recommend it to anyone without hesitation.”

“He was much more at ease as school started because of the preparation received during SAA.”

“She really didn’t have a lot of first day anxiety that I would have expected.”

“She had a very good concept of the school schedule, and how to navigate around the school.”

Special Features: Students who participate in Bishop Feehan's *SAA* enjoy many unique benefits that contribute to a successful high school experience. Some include:

- The chance to "learn the ropes" of a new campus.
- Group activities to enhance social interaction at a new school.
- Review of math skills relevant to freshman math.
- Review of English skills; the *SAA's* English course can be especially helpful in reviewing grammar that students may not have had recently.
- Instruction in high school "survival" skills:
 - how to study and take notes
 - how to prepare for a high school test/exam
 - how to use the library
 - how to avoid discipline problems at BFHS
 - how to motivate yourself, through successful goal-setting, to achieve success in high school.

For more information on these benefits, contact Bill Runey at BRUNEY@BishopFeehan.com or 508.226.6223 ext. 120.
