MISSION STATEMENT

Bishop Feehan High School is proudly and enthusiastically a Roman Catholic high school. We pursue excellence in Sanctity, Scholarship, and Sportsmanship, represented by our Shamrock. Our school fosters a learning environment, established by the Sisters of Mercy, of faith, of compassion, and respect for all. Families and faculty partner to be ministers of the Gospel in both word and action. Bishop Feehan challenges its students to serve their community as disciples of Jesus Christ and to set their hearts "upon things above rather than upon goods of earth." (Col 3:2).

CURRICULUM

- ♣ **Advanced Placement:** Advanced students are offered the opportunity to engage in college level study. Students must demonstrate superior aptitude, achievement, and willingness to commit to considerable independent study. Admission is highly selective. Three AP classes are allowed per year and students are required to take the AP test.
- ♣ **Honors 1/Honors:** Courses are designed to challenge students who have demonstrated a high level of academic aptitude and achievement. H1 students experience a rapid pace of instruction, greater depth of topics and more independent work. More time is devoted in the Honors classes to guiding students in the development of critical thinking skills.
- ♣ **College Preparatory 1/College Preparatory:** For students who have demonstrated above average/average aptitude and achievement. Emphasis is placed on developing a strong understanding of the course fundamentals, the capacity for independent and critical thinking and the learning skills necessary for more advanced study. CP level students receive more personal attention and projects are broken down into components.

- ♣ Courses are leveled and weighted accordingly.

RESULTS

The level of success of the school's program of studies can be measured by the number and quality of college acceptances, the amount of scholarship aid for higher education received and National Merit recognition. Our seniors annually receive over \$5 million in scholarships, grants, and work study awards. Over the past five years, over 99% of graduates entered four year colleges and 1% entered two year programs.
