RE: Scholarship Applications

Enclosed you will find updated application forms for scholarships to be awarded to students interested in the **field of Nursing**. High school students or graduates who **are residents of Foxborough, Massachusetts** and **are accepted or enrolled in an accredited nursing program may apply**. Please use these forms and if you need more, give us a call or make copies of both sides.

All applications must be **submitted and received by May 1, 2020**. We will notify the Guidance Departments of any high school who has a recipient after the committee makes its selections in mid-May. Schools can notify their students at their Graduation ceremonies, Awards' Night or however they wish. If a school declines to notify the student, a confirmation letter will be sent to directly to each recipient.
